# IMPORTANT INFORMATION

## SMOKING / VAPING

In keeping with current State Legislation smoking is not permitted within the following areas: official's tents, erected marquees, playing areas, toilets and food outlets. The area of a playing field includes the technical area and the spectator areas of each playing field. All School grounds are **non-smoking**.

## ALCOHOL

In accordance with the SCCSA By-Laws, no alcohol is to be consumed at Association sanctioned games or training.

## DOGS

Under SCCSA by-laws, **NO DOGS** are permitted on SCCSA controlled grounds for fixtures, finals, training, representative games, or carnivals.

## HOME GROUNDS/TEAMS

Ground Official can be called on if required and should be identified clearly at home grounds.

Seating for coaches, managers and reserves must be provided at least 1 metre from one touch line, either side of the centre line or flag. (Under 11s up)

A barrier or line, 2 metres from the touch lines, and parallel to them must be in place.

No one is allowed behind the goal lines.

Games must start and finish on time – no period of grace is permitted.

Five minutes before the scheduled kick off time, each team shall advise the referee that the online team sheet has been completed and give the Referee one match ball.

A responsible person from each club will act as a linesperson as directed by the match referee to indicate whether the ball is in or out of play. (9s up)

The Home Team is the team that is listed **first** in the fixtures.

When two teams from the same club are playing each other, or where there is a clash of playing strip colours, the **'away'** team must change strip or wear bibs for the game.

## POINTS

Allocation of points for ages 11 (eleven) and upwards are:

Win 3,

Draw 1,

Loss 0.

Delete information about points for senior games.

There are no points for U6's to U10's because they play non-competitive Roo Ball.

## MERCY RULE

Game results will have a mercy rule and will be enforced with goal difference of 10 goals. The game will not stop once the goal difference is reached by one team. Referees will record all goals scored in the game, but SCCSA ADMIN will **amend** the end result with a goal difference of 10 goals only.

## TEAM SHEETS

Team Manager or Coach are responsible for signing players into the online team sheet. Log on to your account to find the team sheet. During an online team sheets outage please fill out a paper team sheet, with full names & signatures and hand to the referee five minutes before the scheduled kick-off time.

If a player is late, sign them in to the online team sheet before they take the field. In competitive age groups, if the player arrives after the start of the second half, they are ineligible to play that game.

For **competitive age groups**, the coach/ manager will inform the referee at the end of the game of their choice for the **best and fairest player** from the opposing team.

## INJURY

If an injury occurs the referee may invite the coach (ONLY) onto the field to assess the injury and then that player must leave the field.

If the player/coach etc sustains an injury during the game or at training, then an incident report must be completed. We need to stress the importance of this due to the possibility that this could result in an insurance claim. An Incident Report Form needs to be completed and emailed into the SCCSA within ONE (1) WEEK of sustaining injury. Incident report form and claim forms are on our website.

## PLAYERS ELIGIBILITY

The Fill-in Eligibility page in this book shows rules on which players are allowed to fill-in for various grades without formal dispensation.

All players (including those playing up) must play 4 (four) fixtures in the same team to be eligible to play in the final's series for that team.

Players **who** play up in a higher division 6 (six) times must remain in **that** higher age division team for the remainder of the season.

A player may only play in the final's series in one team and in one age **division**.

Only 5 representative players are allowed in one club team unless all the Rep players are 'home grown'. This also includes borrowed players.

## REPRESENTATIVE PLAYERS

Representative Player trials are held at the end of the season so that teams may be selected for the following year State Titles. 2025 current teams are: U9 to U13 Central, North & South, U11, 13 & 16 Girls, U14 North & South, U15 & 16 Boys. Contact your Club for further details.

## COACHES & MANAGERS

Coaches and Managers must wear distinguishing badges or shirts and should conduct themselves in an appropriate manner from the technical (interchange) area. Refer to the 'Codes of Behaviour' in this book.

# IMPORTANT INFORMATION

**N.B.** THE INFORMATION ON THESE PAGES IS MOST IMPORTANT- FAILURE TO COMPLY MAY RESULT IN FINES BEING ISSUED OR POINTS BEING DEDUCTED.

Coaches and managers are responsible for the wellbeing of their players and for them being correctly attired throughout the game; i.e. shirts tucked in, socks pulled up, shin guards in place, no sharp studs. No jewellery is to be worn.

## FORFEITS

The forfeiting team must notify both the opposing team and the match controller by 5pm on the preceding day of the fixture. The match controller will notify the referee. The forfeiting team will be responsible for the referee's fee if insufficient notice is given.

The team receiving the forfeit will be recorded as having 3 goals and 3 points for that game.

## WET WEATHER

- (a) If only one (1) ground-hosting club advice that their grounds can be played on, then there will be cancellation across the board of all matches.
- (b) If two (2) or more ground hosting clubs advise that their grounds can be played on, then the competition will continue with the competitive age groups that are not able to play, having their games rescheduled to a time and venue to be advised by admin.

- (c) When hosting clubs advise that their grounds are unable to be played on, those games scheduled to be played at these grounds can be rescheduled by the SCCSA Match Controller to an alternative venue that is still playable on that same day. The decision to reschedule games to an alternative field must be made no later than 6.30 pm on the Thursday prior to play (earlier if possible).

Only the club official is to contact the match controller in this regard.

***Under no circumstances are club coaches, managers or parents to contact the match controller on Saturday mornings.***

For game cancellations and regular updates players & parents should; visit our website [www.sccsa.org.au](http://www.sccsa.org.au), our Facebook page or telephone the coach/ manager of your team. Games are not cancelled simply because it is raining.

## U11/12 – Corner Kick

**Corner Kicks (Short Corners)** the Corner mark is to be placed 25m from the Centre of goals on the goal line.

Note: For all Corner Kicks, Goal Kicks and Free Kicks opponents must remain at least 9.15m (10 yards) from the ball until the ball is in play.

**SOCCER RULES!** – The Official Laws of the Game. Each club should have a current edition of the Laws of Soccer for coaches, managers and players to refer to. Familiarisation of these laws is recommended to ensure that the game is played fairly.

***All information is correct at the time of printing. Please check the website for full By-laws and updated information.***

## **CHILD PROTECTION POLICY SUMMARY - COACHES & MANAGERS**

**The Sunshine Coast Churches Soccer Assn Child Protection Policy requires that you maintain an attendance register of when players turn up to training and leave. The information below is very important and your attention to items required. More information can be found at [www.sccsa.org.au](http://www.sccsa.org.au)**

1. SCCSA requires that anyone who reasonably suspects that a child has been or is being abused by someone, to report it immediately to the police or relevant government agency. Incidents should also be reported to the Club President/Chairman and Chairman of SCCSA if the allegations are made against a member of a club or the SCCSA or those associated with these organisations, for example contractors.
2. Management, Coaches or Managers have a right to ask for proof of ID when a visitor or parent is unknown to them. Visitors and parents are never to be left alone with children out of sight.
3. Attendance sheets should be kept for all practices, games and other activities etc.
4. Coach and/or manager should arrive well before an activity (practice and/or games) and ensure all children are picked up by parent or pre-arranged care giver before leaving.
5. Each person with a position of responsibility to be aware of their Duty of Care, and responsibility to provide a safe, caring environment for the children, they must be alert and watchful at all times, putting the needs of the children before their own.
6. All aspects are open to the observation by parents and other related adults.
7. The age of individuals be recognised as one of the determinants in deciding what is acceptable and unacceptable behaviour.
8. A child should never be left alone, or a leader should always avoid one on one situations with a child in a closed environment or be left with a lone child at the end of an activity. Always stay in an open environment where you can be seen, and the children can be seen.
9. Younger children must be accompanied by an adult when visiting the toilet. The adult is to check the toilets and leave the child in the toilet with door closed and then stand near the toilet entrance. If a child needs assistance, it again should require two people to be present. Special attention is required at toilet blocks in parks where toilets should be checked, and children closely supervised but still observing their privacy.
10. When coaches etc are in physical contact with children, care should be taken to respect the child's feelings and privacy. Ensure that any physical contact cannot be misinterpreted.
11. Adults and children are expected to respect the privacy of others during activities that require undressing, dressing, or changing clothes.
12. A Risk Management Assessment is to be undertaken before training, games, or other activities. (eg. Check for glass, needles or other potential dangers)
13. Members should not visit children in their own homes unless a parent/carer is present and/or the member visits with another adult.
14. Coaches, Managers or other members should not drive a child unaccompanied.
15. When counselling or consoling a child, it should be done in view of others yet out of hearing range.
16. When a child confides in a member that they are a victim of abuse, that member will refer the matter to the Club President/Chairman who will follow the procedures of Disclosure outlined in Part C.
17. Any person in breach of policy may be suspended immediately from any positions of responsibility until such time as the matter is resolved to the satisfaction of the Club and SCCSA.
18. Any member charged with abuse shall be suspended immediately until proven innocent.

# ROO BALL RULES

## U6, U7 and U8

---

\*These rules are for teams playing within the SCCSA and may differ slightly from the rules used by other soccer associations.

**GAMES ARE NON-COMPETITIVE** (There are no points tables or championships) Children should be given equal time.

**TIME OF PLAY:** 2 x 20 minutes (5 minutes half time break). Games will start at the advertised time; there is no time added on for stoppages or injuries.

**THE PLAYERS:** Teams each consist of not more than 6 (six) players and 3 (three) interchange players. One player must be the goalkeeper whose shirt must be readily distinguishable from those of the other players. All players must wear training shoes or soccer boots and shin pads. Only goalkeepers may wear caps. Field players may wear soft brimmed hats. Players may be interchanged (3 players per team) at any time. Interchanging is encouraged to provide all players equal game time.

**THE COACHES:** Coaches should rotate players, so they don't think of themselves as keepers, defenders or strikers, but as ROO BALL SOCCER PLAYERS. Coaches are permitted on the full field to give his/her players guidance but must stay away from the goal area. The coach or a parent is expected to referee one half of the game.

**TO START:** Before the match begins the referee/coach will toss a coin. The team winning the toss chooses ends, the other team kicks off from the centre mark. Opponents must be 6 metres from the ball. From a kick-off, the ball can be played in any direction, and the kicker must not play the ball again until it has touched another player. A goal may be scored directly from a kick-off. After a goal has been scored, the team conceding the goal takes the kick-off to restart play. For the second half of the game the teams change ends. The kick-off is taken by the side that did not start the game.

**IN/OUT OF PLAY:** The ball is not out of play until the **whole** of the ball has crossed the **whole** of the goal line or touch line. The lines are part of the field of play. The ball is still in play if it rebounds off the goalpost, crossbar, corner flag or referee into the field of play.

**THROW-INS:** A throw-in is awarded to the opponents of the last player to touch the ball before it wholly crossed the touchline. The thrower must face the field, keep part of both feet on the ground either on or behind the touchline, delivering it from behind his/her head using both hands. A player who has thrown in the ball shall not play it again until it has touched another player. Coaches/Referees may assist players to achieve the correct method. A second attempt is given. Following 2 foul attempts, possession passes to the opposing team. A goal can be scored directly from a throw-in.

**GOAL KICKS:** A goal kick is awarded to the defending team when the ball wholly crosses the goal line, other than between the posts, and was last touched by one of the attacking team. Opponents must be 6 metres away from the ball. Only the goalkeeper is permitted to take the goal kick. A goal can be scored directly from a goal kick.

**CORNER KICK:** A corner is awarded to the attacking team when the ball wholly crosses the goal line, other than between the posts, and was last touched by one of the defending team. The kick is taken at the nearest corner. The corner flag may not be removed. Opponents must be 6 metres away from the ball. A goal can be scored directly from a corner kick.

**FREE KICK:** A free kick is awarded to the opposing team for foul play, dangerous play, obstruction, handball by a field player or an intentional back pass or throw-in that is handled by the goalkeeper. All free kicks are **indirect** – a goal can **not** be scored unless the ball touches another player before it goes into the goal. All opposing players have to be 6 metres away from the ball. If a free kick is awarded to the attacking team within or close to the semi circle, the free kick is to be taken 6 metres from the semi circle. Defending players may stand on the semi circle if they wish.

**OFF SIDE:** There is **NO** off side in Roo Ball, but deliberately placing a player in an "off side" position is contrary to the spirit of the game and is to be discouraged.

**SCORING:** A goal can only be scored from outside of the semi circle. A goal is awarded if the whole of the ball has crossed the whole of the goal line between the posts and under the cross bar.

**REFEREE:** There are no official referees in these age groups, the coaches or parents do this. The team sheet must be filled in before the start of the game. At the end of the game the completed team sheet is handed in to the canteen.

**LINESPERSONS:** A responsible person may be appointed by each team to indicate when the ball is out of play.

**GOALKEEPERS:** Only the goalkeepers are permitted inside the semi circle. They are allowed to handle the ball within this area, however, a goalkeeper may not pick up the ball with his/her hands from an intentional back pass or throw in from a team mate. This does not apply to an accidental back-pass or a headed back-pass. The goalkeeper must play the ball within 6 seconds of controlling it. If a defending team continually plays the ball inside the semi circle, a free kick should be awarded to the attacking team.

**NOTE:** A player who is bleeding must leave the field. Nobody is allowed within a 6 metre radius behind, or either side of the goals.

# ROO BALL RULES

## U9 and U10

These are for playing within the SCCSA and may differ slightly from the rules of other soccer associations. Modifications have been made to some FIFA Laws of the Game, to facilitate the transition from the U6-U8 rooball game to the Full Field game. Below is an extract from the Law of Rooball U9 / U10, the full document can be found on the website under referees, Laws of the Game.

**GAMES ARE NON-COMPETITIVE** – There are no points table or championships. Children should be given equal time

**THE BALL**- All matches are played with a size 4 ball. A match ball must be given to the referee before the start of the match by both teams.

**PLAYERS**- Teams consist of no more than nine players one of whom is the goalkeeper and up to five interchange players. A match may not start if either team consists of fewer than six players. Teams may borrow players from other teams to make up numbers. Interchange must occur during a stoppage in play, after the referee has acknowledged the interchange and the interchange player must enter the field at halfway and after the player being replaced has left the field. Interchanging is encouraged to provide all players with equal game time. All players must not wear any kind of jewellery or hard brim hats. Players must wear Club jersey, Club Shorts, Club Socks, Shin guards and Footwear.

**REFEREE** - Each match is controlled by a referee who has full authority to enforce the Laws of the Match. **The online team sheet- must be correctly filled out before the start of the match. A player arriving late may take part in the game once the referee has been notified and their equipment has been checked. The late player must be added to the online team sheet list before they take the field.**

**ASSISTANT REFEREE** - There are no assistant referees allocated to these matches, however the referee may give permission to a responsible person from each team to indicate when the ball is out.

**DURATION OF THE MATCH**- The duration of the match is two 25 minutes halves with a 5-minute break at halftime. Time is started by the appointed referee whether the teams are ready or not. There is no time added for stoppages or injuries.

**START AND RESTART OF PLAY**- A kick-off is a way of starting or restarting play, for the start of the match, after a goal has been scored, and the start of the second half. A goal may be scored directly from the kick-off. At the start of the match teams must enter the field of play from the halfway mark, in a line after the referee has signalled them by a whistle to come on. A coin is tossed and the team winning the toss chooses ends, the other team kicks off from the centre mark. Opponents must be 7 metres from the ball. From a kick-off, the ball can be played in any direction, and the kicker must not play the ball again until it has touched another player. A goal may be scored directly from a kick-off. After a goal has been scored, the team conceding the goal takes the kick-off to restart play. For the second half of the game the teams change ends, and the kick-off is taken by the side that did not start the game.

**BALL IN AND OUT OF PLAY**- The ball is out of play when it has wholly crossed the goal line or touch line whether on the ground or in the air or play has been stopped by the referee.

**SCORING**- All players are allowed to play and score within the semi-circle (goal area) and a goal is awarded when the whole of the ball passes over the goal line, between the goalposts and under the crossbar.

**OFFSIDE**- Offside will not be penalised in this game, however deliberately placing a player in a position to gain unfair advantage is contrary to the spirit of the game and is discouraged. The referee can verbally caution the players doing this or penalise such as unsporting behaviour.

**FOULS AND MISCONDUCT**- A free kick is awarded to the opposing team if a player commits any offences in a manner considered by the referee to be careless, reckless, or using excessive force. A player may also be cautioned and shown the yellow card or sent off and shown a red card.

**FREE KICKS**- All free kicks in this game are indirect. A goal can be scored only if the ball touches another player before it enters the goal. All opponents must be at least 7 m from the ball until it is in play.

**PENALTY KICK**- There are no penalty kicks in this game. If a free kick is awarded to the attacking team inside the goal area, the kick must be taken from the edge of the semi circle. Defending players may stand on their goal line.

**THROW IN**- A throw-in is awarded to the opponents of the last player to touch the ball before it wholly crossed the touchline. The thrower must face the field, keep part of both feet on the ground either on or behind the touchline, delivering it from behind his/her head using both hands. A player who has thrown in the ball shall not play it again until it has touched another player. Coaches/Referees may assist players to achieve the correct method. A second attempt is given. Following 2 foul attempts, possession passes to the opposing team. A goal cannot be scored direct from a throw-in.

**GOAL KICK**- A goal kick is awarded when the whole of the ball passes over the goal line, either on the ground or in the air, having last touched a player of the attacking team. A goal may be scored directly from a goal kick, but only against the opposing team. Opponents must remain 7m from the ball until it is in play.

**CORNER KICK**- A corner kick is awarded when the whole of the ball passes over the goal line, either on the ground or in the air, having last touched a player of the defending team. A goal may be scored directly from a corner kick. The kick is taken at the nearest corner from within the marked quarter circle. The corner flag may not be removed. Opponents must be 7 metres away

**TECHNICAL AREA**- Each field should have an area marked out as a technical area for each team either side of the halfway line. It should be at least 2m from sideline.

THE TECHNICAL AREA IS THE DESIGNATED SEATING AREA FOR THE COACH, MANAGER AND PLAYERS. ONLY ONE COACH, ONE MANAGER AND INTERCHANGE PLAYERS WHO ARE MARKED ON THE TEAM SHEET AND CAPABLE OF TAKING THE FIELD ARE ALLOWED IN THE TECHNICAL AREA.

**THE COACHES**- Coaches are not permitted to enter the field of play unless called on by the Referee. Coaches may walk their team's defensive sideline ONLY after requesting permission from the Referee.

**SPECTATORS**- Are not to be in the technical area and must stand between the technical area, nor stand along the goal line or behind the goals to a distance of 7m.

# RED and YELLOW CARDS

# CODES of BEHAVIOUR

---

**PRAYER**      *O God, thank you for this day, give us patience with each other; the skill to play the game; the ability to accept defeat as well as success. We ask Lord, for your ever protecting love upon this game of Soccer. Amen.*

## **PLAYERS**      *PLAY FOR FUN AND ENJOYMENT*

- Play for the fun of it and not just to please parents and coaches.
- Play by the rules.
- Never argue with an official.
- Control your temper. Verbal abuse of officials or other players, deliberately fouling or provoking an opponent and throwing equipment is not acceptable or permitted in any sport.
- Work equally hard for yourself and for your team. Your team's performance will benefit; so will you.
- Be a good sport. Cheer all good plays whether they be by your team or the other team.
- Treat all players the way you would like to be treated. Do not interfere with, bully or take unfair advantage of another player.
- Co-operate with your coach, teammates and opponents. Without them there would be no game.

## **COACHES**      *CHILDREN PLAY FOR FUN AND ENJOYMENT*

- Make a personal commitment to keep yourself informed of sound coaching principles and the principles of growth and development of children.
- Be reasonable in your demands on young player's time, energy and enthusiasm.
- Teach your players that rules of the game are mutual agreements, which no one should evade or break.
- Whenever possible, group players according to age, height, skills and physical maturity.
- Avoid over-playing the talented players. The "just average" players need and deserve equal time.
- Remember that children play for fun and enjoyment and that winning is only part of their motivation. Never ridicule or yell at children for making a mistake or losing a competition.
- Ensure that the equipment and facilities meet safety standards and are appropriate to the age and ability of the players.
- The scheduling and length of practice times and competition should take into consideration the maturity level of the children.
- Develop team respect for the ability of opponents as well as for the judgement of officials and opposing coaches.
- Follow the advice of a physician when determining when an injured player is ready to recommence play.

## **PARENTS**      *CHILDREN PLAY FOR FUN AND ENJOYMENT*

- If children are interested, encourage them to play. However, if a child is not willing, do not force them.
- Focus upon the child's effort and performance rather than the overall outcome of the event. This assists the child in setting realistic goals related to ability by reducing the emphasis on winning.
- Teach children that an honest effort is as important as victory, so that the result of each game is accepted without undue disappointment.
- Encourage children to always play according to the rules.
- Never ridicule or yell at a child for making a mistake or losing a competition.
- Remember that children are involved with organised sport for their enjoyment, not yours.
- Children learn best from example. Applaud good plays by both teams.
- If you disagree with an official, raise the issue through the appropriate channels rather than question the official's judgement and honesty in public. Remember, most officials give their time and effort for your child's involvement.
- Verbal and physical abuse is not acceptable on or off the field.
- Recognise the value and importance of volunteer coaches. They give up their time and resources to provide recreational activities for the children and they deserve your total support.
